

TARQUIN'S

CORNISH DRY GIN

DOUBLE GOLD

SAN FRANCISCO WORLD SPIRITS

Tarquin's Cornish Dry Gin is made in Cornwall, UK.

It recently won a **Double Gold Medal at the San Francisco World Spirits Competition 2022**, as well as a **Gold Medal at the International Wine & Spirits Competition IWSC in London in 2022**.

"Great typicity with a complex flavor profile and well-integrated alcohol. Fresh juniper and floral aromas lead to warm cedar and green pine notes that carry well across the palate. Wood spices add warmth and the length is long. A well-crafted spirit." IWSC

It is 100% handmade (by Tarquin and his wife) using a fire-heated copper alambic (Tamara) which can produce just as few as 300 bottles in one batch.

The special botanicals are such as the handpicked Devon violets and fresh orange zests deliver an aromatic sensation unlike any other. Only the best and most pure spirit makes it into Tarquin's Gin, which is diluted to bottling strength at 42% with Cornish spring water. The result is a fresh Gin that tastes best with a wedge of grapefruit and a dry Tonic water.

Every bottle of Tarquin's Cornish Gin is individually hand-filled, hand labeled, dipped into a slow cooker filled with paraffin wax, stamped with our Puffin logo, given batch tasting notes and then individually hand-signed.
