

THE DD PROJECT

The DD Project is different. Our goal is simple, to create world class wine with purpose. That purpose is to make the world a better place and to drink delicious wine while we do it. All proceeds from The DD Project go to benefit female entrepreneurial and educational initiatives in the state of Delaware and beyond.

Created in loving memory of the founders mother, Diane Rizzo (Dickerson) co-founder of the Capriotti's Sandwich Franchise, whose trailblazing entrepreneurial spirit is the North Star for all we do.

TASTING NOTES

This dry Pinot Grigio enters with lemon curd, apricots and apple with hints of peaches and jasmine. Crisp and clean, this wine has notes of papaya and beautiful minerality.

WINEMAKING NOTES

Hand-sorted fruit was whole cluster pressed. The juice then settled for 2 days at 30°F before it was racked cleanly and inoculated for primary fermentation. It was maintained at 60°-62°F in Stainless Steel tanks until the fermentation was complete; this wine was not allowed to undergo Malolactic fermentation.
