

Lazzaroni Nocino

TECHNICAL DATA

A dark brown liqueur with a very special, intense and aromatic taste. Its origins are uncertain (tradition says that it originates in Emilia Romagna), but now it is widespread throughout Italy. A liqueur with an intense walnut flavour, considered by tradition an almost magical drink.

INGREDIENTS:

- Water
- Sugar
- Alcohol
- Walnut Husk Dye
- Natural and Artificial Flavors
- Coloring

ORIGINAL USE

After dinner Liqueur

CURRENT USE

Great for decorating ice creams;
Aromatic ingredient in cocktails;
Flavouring ingredient for homemade cakes.

TASTING NOTES

It has an intense aroma and a walnut scent, with the typical flavor of an immature walnut.
Herbal tradition recommends it as a digestive and tonic drink.
